

Association  
of International  
Shipping  
Lines, Inc.

## **NOTICE**

**TO ALL AISL MEMBER LINES, TRUCKERS, BROKERS,  
FORWARDERS AND OTHER CONCERNED PARTIES:**

Please be advised that ICTSI Management has sent us a notice that the AISL office presently situated at the ICTSI administration building will have to be removed to give way to its modernization program in keeping with international standards. As renovation of its ground floor will commence any time soon, AISL has no recourse but to relocate its MICT field office at the Velco Building with address at Unit 308B Velco Center Mayers Building RS Oca St., corner AC Delgado St., Port Area Manila.

Those who are paying the AISL insurance premium via GoFast online system will not be affected. For clients who are still not ready for the online payment, the insurance premium for MICT discharged containers will be collected by our staff at the Velco building AISL office starting on the date we will soon announce.

We enjoin our clients who are not yet using the GoFast online to use the system for a faster, more efficient and convenient payment of the insurance premium and to avoid the inconvenience and trouble of going to our office physically. To register to the GoFast online insurance payment, please contact the following;
